

The restaurant is located along the main road M-17 (E-73) in the settlement Brankovići, located 8 km from Žepče in the direction of Maglaj. The restaurant has been operating since 1997 and is one of the oldest restaurants in the area of Žepče. Although located along the main road, the restaurant attracts travelers by its peaceful surroundings, hidden in the shadows of tall pines and willows.

This family restaurant has a successful long-term business due to the efficiency of its personnel which involves promoting energy conservation among employees, and loyalty to local products, ie acquire meat and vegetables locally. In this way the restaurant helps promoting local producers and provides a controlled descent quality food for its guests. Another form of promotion of local area are handicrafts made by the local population and exposed in the restaurant so that guests can stay familiar with the cultural and natural heritage of this region.

AROUND THE TABLE - The restaurant offers a wide selection of grilled dishes, steaks, various prepared foods, fish, but its popularity among the faithful guests is due to local specialties such as veal and pork knuckle (ham), by which is especially famous among gourmets. The standard range of different drinks and aperitifs highlights several types of traditional local spirits - brandy and homemade wine from around Čitluk.

SURROUNDING - situated halfway between Žepče and Maglaj, the restaurant provides guests easy access to all facilities and tourist attractions such as the Church of Sv. John the Baptist in Brankovići, only 500 meters from the restaurant, or Maglaj medieval fortress, which is located just 6 km from the restaurant. If you are more interested in sport and recreation facilities and exploring the natural beauty of this area, the Pazarić Recreation Centers and the Gromilice Recreation Center are only a 15-minute drive from the restaurant.
