

**Organized by:** Municipal organization "RED CROSS" MODRIČA

### **BRIEF DESCRIPTION:**

Package includes a one-day stay of students/pupils in the resort "Vis" Rijecani, which is located 12 km from Modrica and represents one of the biggest tourist potential of the municipality. The unspoiled nature, surrounded by trees and away from traffic jams is a camp that can offer the following activities: nature walks and hikes, various sporting activities (football, basketball, volleyball, beach volleyball, futing), eco-friendly environment, educational workshops with the topic of ecology, of course, accommodation and restaurant with only homemade healthy food. The entire trip takes place in the nature, and children are separated from their everyday life (noise, cars, harmful gases and other harmful substances that affect children). Most important of all is to allow children the peace and quiet, and that at least that one day they spend in a healthy environment.

In this arrangement comes in a visit the monastery on Duga Njiva, which is located near the camp. As for the cuisine, the menu includes only local food, with choices (for vegetarians). Healthy lifestyle and the ability to relax is the main recommendation of this arrangement. There are few destinations that can offer this peace for the children, and Rijecani is becoming one of the biggest tourist potentials of the Republic Srpska. With huge natural resources, Vis-Rijecani offers many facilities for sports, and trails for walking and thus provides opportunities for every student to do what he/she prefers.
