

**Organized by:** family farm "Savic" (16 km from Doboj)

**Description:**

Family farm of Mr Radivoje Savic is located on the plateau of Okolišta, 630 meters above sea level.

This farm, still under construction and growing, started with rural tourism as a pure hobby of the host. Outstanding location, open space, mountainous plateau environment and good transport links offer serious prospects for the development of rural tourism.

The household provides the conditions for accommodation and meals for a family of four. In addition to traditional Mt. Ozren family house, the farm also has a replica of an udžara (old traditional farm building) and a water mill.

**Accommodation:**

6 beds (2 accomodation units)

Accommodation price per person: 10 KM / 5 EUR
